$1 Million Hospital Expansion
Will Double Size of Present Facility

Robertson County Hospital is about to go for a $1 million expansion.
Now being taken right now under the direction of Mr. Bill Bailey, the
project is expected to be completed by the time the new building is
ready to be occupied. As of now, the old hospital is expected to be
closed down and a new one to be built on the same grounds.

For the benefit of the people of Robertson County, the hospital
has been collecting money for the past two years. So far, they have
raised $500,000, and the expansion will cost another $500,000.

The new building will be able to accommodate more patients and
will have more rooms for patients to stay in. The project is expected
to be completed within the next six months.
