## Vietnam Mini-replica War Memorial

heads up a committee of veterans groups and others interested in making it possible for families, friends and service "buddies" to view the replica

Despite the scaling down of the original the "wall" is 250 feet long and contains all 58,022 names of those missing in Action or killed in the Vietnam Conflict. Kentucky has 1,038 of its military listed on the memorial.

Mills speaking for the committee said "There are many relatives and friends of those missing or killed who will never be able to see the Washington original, and when we learned of this 'moving wall' we wanted to bring it to our capital for Kentuckians to see and appreciate what our men had given in Vietnam." Each of Kentucky's 120 counties has at least one name on the "Wall."

Mills said it will be set up on the northwest corner of the capitol grounds. She said she and the committee have written to surviving spouses and relatives of the dead or missing in an attempt to get them Frankfort to visit the memorial. "If they don't have a way to get to Frankfort, we'll try to find them a way," Mills said. The
