Lost and Found Items will be placed in the gym December 3 and 4. Please claim lost items. Those not claimed will be disposed of.

Book Fair - December 7 and 8 - sponsored by Athletic Boosters Club.

Lunch tickets will be sold December 8 and 9.

Ms. Alexander's and Ms. Parkerson's kindergarten classes are studying Christmas Around the World and the letter K.

Ms. Roark's class will be studying the four food groups in Connections. They are studying about Christmas in Reading.

Ms. Adams' class is going to be reading fairy tales. In Connections, they are studying the five senses.

Ms. Maples' class has 14 days perfect attendance. In their Connections class, they will be studying about popcorn. They will be talking about compound words along with popping popcorn.

Ms. Cameron's class is studying nutrition. They will have a food tasting party. Adam Childress is class leader this week.

Ms. Debordo's class will be studying the theme, "The Wonderful World Where Everyone is Different," in Connections this week. They will be making posters to go along with their theme. This week's Student of the Week is Kimberly Mullins.

Ms. Brewer's class has been very excited about their attendance this year, They have been for pzza four times.

They have recently studied Indians, Thanksgiving, Rain Forest and Environment. They enjoyed studying all these different subjects. While they studied each of these subjects, they read, wrote, and learned about that particular subject as much as possible. They will study popcorn this week.

In Math, they are very proud of their progress. They have already learned how to add numbers to four digits, also to regroup. They have learned how to add and subtract money and count change. They used their computers, games, worksheets, and books to help them learn about math problems and money. They are also beginning to really enjoy math problem-solving activities.

They have two birthday girls for December in Ms. Brewer's class. They are Jessica Jones and Tammy Peyton. The class wishes them a "Happy Birthday."

The class has gained three new girls this year. They are Maranda Smith, Sebrina Lewis, and Tammy Peyton. They are all very nice and very hard workers. Ms. Brewer and the class are glad to have them.

Mr. Woodall's class has been studying about presidents in Social Studies. In Health, they have been making posters, and in Language, they have been doing book reports. On Wednesday, they had a 4-H meeting. They chose a song leader, president, vice-president, game leader and a pledge leader.

Ms. McQueary's 6th grade, on the 24th of November, went to Pizza Hut for perfect attendance. They enjoyed it very much and would like to thank Pam Burdette and the other staff at the Pizza Hut for making their trip enjoyable.

Mr. Alexander's 6th grade has been studying the digestive system and the circulatory system. To help the students understand what the intestines and the heart look like, Mr. Alexander brought in the intestines and heart of a hog.

The 4th, 5th, and 6th grade Challenge classes are completing their Observational Research work. They are also working on problem-solving techniques.

Ms. Abney's Academic Team had a meet Monday night. They competed with North Laurel, Whitley County and Roundstone.

Tiger Pause

Congratulations to the family of Caroline, Keith, and Ben Graves. They have a new member, Edison Lige, born Monday, November 23rd. Mrs. Graves teaches middle school Math and Ben is in our entry level primary program.

Mrs. Katreka Cash, Mrs. Kathy Reynolds and students want to thank Gary Gentry of Southern Belle for the milk cartons donated to make periscopes in their science classes.

Our school has received reported data from the Continuous Assessment administered to grades 2, 3, 5, 6 and 7. These tests, given in the spring of '92, were designed to help teachers measure their students' progress toward achieving the valued outcome and prepare students for taking the accountability test in grades 4 and 8. Your child has an individual score sheet on file that states the performance level achieved in the areas of reading, math, science, and social studies. Contact the school if you would like a copy.

Each year at this time, school is dismissed early or cancelled due to slick and hazardous roads. You can get information regarding school closing by listening to our local radio station WRVK or any Lexington TV station. You may call, 256-WRVK, after business hours - 6 p.m. to 6 a.m. to get a recorded report of school cancellation.

The cafeteria workers were dressed in pilgrim attire as they served our students and their guests the annual Thanksgiving dinner, Wed. Nov. 25. The meal was reported by many to be the most delicious meal ever enjoyed at BES thanks to Wanda Carroll, Doris Blanton, Geraldine Anglin, Ruby Thompson, Mary Busssell, Helen Albright and Joy Todd.

Tuesday, November 24, the 8th grade Latin class, along with their facilitator, Mrs. Bobbie Durham, were recognized on "Special School Day." This was a presentation by satellite through KET star-channel. Each student was introduced and participated in the assignment with their KET teacher, Kathy Scaife. During the fifty minute presentation Kathy was wearing a BES Tiger cap and T-shirt, with the slogan "Can't Hide That Tiger Pride." Prior to this presentation, Kathy showed myth projects and read creative writings which were descrptions of the myth monsters individually designed by the students. The class and facilitator were happy to be aired on the TV program and were especially proud to be "Brodhead Tigers."

Bobbie Durham attended the Primary Writing Workshop, Dec. 1st, at Science Hill. Many interesting ideas were presented by teachers from other counties.

Mrs. Charlotte Bullock's middle school art students selected a name for their art classes. Using consensus skills, the logo and title - ART EXPLORERS - was chosen. Element of line, free art, etc. are examples of media styles to be displayed at their first art exhibit, Thursday, Dec. 10 at the monthly PTA meeting.

The names of Kayce Tucker and Amanda Gibson were inadvertently omitted from the Honor Roll list last week. We apologize for the error.

Many students were recognized for outstanding school achievement Wed., Nov. 25 at an assembly. Mark McKinney presents students with certificates if they have been recommended by a teacher for the Principal's List. These assemblies are held every six-weeks grading period. Bicycles will be given away at the end of the third six-weeks as incentives to reward good attendance.

Mrs. Tammy Stevens and Mrs. Mary Ann Bussell would like to thank the following parents for helping with the parent volunteer program in preschool. Elizabeth Slusher (Angie), Tami Hale, (Zack), Sherry Asher (Jessica), Joy Blevins (Sasha), Carol Forsythe (Rachel), Becky Anglin (Samantha), Elaine Vann (Amanda), Tammy Johnson (Tara), Myrtle Helton (Nashay), Dawn Stallsworth (Gabriel), Wayne Welch (Justin), Theresa Adams (Zachary).

Our librarian, Ms. Sandy, returned from the Thanksgiving break with a new name - Mrs. Dwight Burdine. The former Ms. Lear was married during the holidays and we wish the happy new couple lots of blessings.

"Merry Christmas
and
Happy New Year"
Jan. 4 - School will resume

Eagle Echoes

Tracy Gabbard's and Mrs. Pam French's fifth grade classes celebrated Thanksgiving with a traditional dinner including pumpkin pies and Amish friendship bread made by the students. Many parents came to the school to share in their special celebration. Thank you to all staff members who helped make the dinner a success.

Students at Roundstone Elementary School will be Christmas shopping Thursday, Dec. 3 and Friday, Dec. 4. The RES PTA will be sponsoring "Santa's Workshop." Students will have the opportunity to shop for small gifts for their family and friends.

Mrs. Little's and Mrs. Larkey's sixth grade classes are making plans to invite parents to their class rooms. Parents will receive special invitations from their children.

Mr. Harris' 7th and 8th grades science classes are making plans for an environmental awareness unit. Plans are being made for a recycling program that will involve the entire school.
