

# Minds in the Middle

Congratulations to our 8th grade graduates. We wish you all the best in your high school. Special congratulations to Shawnee Smith, who received the awards from the Challengers as best all around student and to Courtney Corder, top student on the Conquer team. Ashley Bullock, Tyler Sheer, and Shawnee Smith received this year's Woodmen of the World award for excellence in Social Studies. We are proud of all of our other award winners, not only the 8th graders, but also the 6th and 7th grade students.

We are already getting into the swing with our new round of students. We have over 70 students signed up for our two-day summer camp. This is open to all incoming sixth graders. If any more students are interested in attending, they can pick up a registration form at RCMS. We have lots of fun activities packed into the event.

We apologize to Jessica DeKorte and Jessica Norton whose names were omitted from the graduation list in last week's Signal.

We do have a few yearbooks left from this year's sales. The cost is \$15.00. Those may be picked up in the main office at any time.
